

## All Abilities Play Space: coming soon

The long-awaited All Abilities Play Space will be open to the public soon – keep an eye out for news about the naming ceremony taking place in June. The Mayor will announce the new name and the facility will then be open to the public.

But the main community opening event will take place during the warmer weather in November. The family fun day will feature a range of food and activities, celebrating Rotary's achievement in raising funds to build the facility. The City will keep you updated as the event gets closer – for now, the City wishes to say thank you to all who turned this dream into a reality.

The project is the result of a seven-year partnership between the City of Nedlands and the Rotary Clubs of Nedlands, Subiaco and West Perth with other partners including Inclusion WA, COLAB, Wood & Grieve Engineers, Lotterywest and Department of Communities – Disability Services, along with many others.

### Nedlands Community Care

Do you or a family member live within the City of Nedlands and need assistance to continue living in your own home? Nedlands Community

Care has a dedicated trained team of support workers who can assist you or your family member with:

- Transport to medical appointments and local shopping centres.
- Social groups – activities and social interaction at the centre, as well as group outings.
- Social support – includes social outings and shopping with a support worker and home visits.
- Personal care – assistance with showering, dressing, medication prompts and wellbeing checks if your family is away.
- Light domestic assistance.

For more details, or to see if you are eligible for Home and Community Care, call **9386 6170**.

### Request a free street tree

Do you have space on your verge for a stunning new tree? The City of Nedlands is offering residents free street trees, including planting and lifetime pruning to help make the area more attractive, greener and sustainable.

For more details, visit [www.nedlands.wa.gov.au/request-free-street-tree](http://www.nedlands.wa.gov.au/request-free-street-tree) or contact the City to place your order by emailing [council@nedlands.wa.gov.au](mailto:council@nedlands.wa.gov.au) or calling **9273 3500**.

### The Jewels of Our Estuary

On **5 June** – World Environment Day – Catherine O'Neill will be at Nedlands Library from **10.30am-11.30am** to explore some of the natural areas nestling quietly along the Swan River foreshore and the treasures that can be discovered in them.

She is project coordinator of the Swan Estuary Reserves Action Group, a community-based organisation made up of volunteers that promote the estuary's wellbeing. Book for the free event at [nedlands.evanced.info/signup](http://nedlands.evanced.info/signup). Picture: John Manger.

### Mother's Day at Point Resolution Child Care

Children at Point Resolution Child Care celebrated Mother's Day last month by hosting a special morning tea. Mothers, aunts and grandmothers spent the morning with the children and participated in a variety of activities.

The activities were based on some of the learning experiences the children had been undertaking, including hand-moisturising and making bookmarks and necklaces. The children also sang two of their favourite songs and finished the morning by performing Head, Shoulders, Knees and Toes with actions for their mums and loved ones.

### Get answers on the NBN

Do you have a question about the NBN? Head to the Mt Claremont Community Centre on **12 June** from **10.30am-11.30am** to find out what broadband access means for you – and the role the NBN will play in delivering your phone and internet services.

The session will also outline important information to consider before contacting a phone or internet provider to switch to a new plan. Bookings for the free event at [nedlands.evanced.info/signup](http://nedlands.evanced.info/signup).

### Mt Claremont Library closure

Mt Claremont Library will be closed from **16 to 22 June** to allow for carpet replacement. During this time, Nedlands Library will

remain open and all returns can be dropped off there. Or keep your items until the library re-opens – loan periods will be extended during this time. For enquiries, please call 9273 3644 or email [library@nedlands.wa.gov.au](mailto:library@nedlands.wa.gov.au).

### 2018 Civic Design Awards: judges and sponsors wanted

The City of Nedlands is launching the biennial Civic Design Awards to recognise outstanding examples of heritage conservation, contemporary planning, design, landscaping, public art and other projects. But first we need two community members to join the judging panel. Nominations are now open for people with relevant experience and/or qualifications.

Please send a covering letter and your CV, outlining your experience and why you're interested, to [council@nedlands.wa.gov.au](mailto:council@nedlands.wa.gov.au). Alternatively, drop it into our Administration Centre at 71 Stirling Highway, Nedlands, or post it to PO Box 9, Nedlands WA 6909.

At the same time, the City is also looking for award sponsors – could your business do with a branding boost? It's an opportunity for your company to be featured on all marketing collateral relating to the Civic Design Awards and acknowledged through the City's various marketing channels.

More details about the awards – and sponsorship forms – are available at [www.nedlands.wa.gov.au](http://www.nedlands.wa.gov.au) under Planning and Building.
