Greetings

As we are rugging up for a brisk winter, I have been privileged to recently attend a round table lunch at UWA, where the guest speaker, Ukraine Ambassador to Australia, The Hon. Vasyl Myroshnychenko thanked WA for our support for the Ukraine. The Ambassador spoke of the courage of his countrymen and women and his willingness to assist in the rebuilding of the Ukraine as soon as possible.

As the Mayor of the City of Nedlands, I have been personally touched by this situation and have met with Ukrainian citizens who have come to Perth. It has been an honour to be able to assist them and I send a big thankyou to all who have helped me to help them, particularly Loreto Nedlands Primary School and Regis Aged Care, Nedlands.

On another front, last week I joined Cr Smyth at a Sundowner for local small business owners. The City is pleased to host these gatherings twice a year and we welcome new guests. Also this month, a citizenship ceremony was held to welcome over forty new Australians. Thank you to Deputy Mayor Leo McManus and Cr Wetherall who represented the City at this event.

The Federal Election this year delivered some significant changes to the seat of Curtin. Independent candidate Kate Chaney is our new local member, and on behalf of the City I congratulate Ms Chaney and welcome her to the electorate. I would also like to thank Ms Celia Hammond for her support and hard work.

Finally, may I leave you with some food for thought. This week, I attended, as a panel member, the United Nations Association of Australia (WA Division) Forum; Never waste a crisis: Rebirth of the sustainable development agenda. War in the Ukraine has brought the issue of world peace to the top of everyone's list, along with planetary health and intergenerational equity. We cannot afford to be complacent in striving to uphold these key worldwide commitments.

kindest regards

Her Worship, Fiona Argyle
Mayor, City of Nedlands
