Nedlands News

February 2020

Ask the City for a 'new free street tree' this winter!

The City is looking to plant new street trees on verges and nature strips, free of charge. If you'd like a new street tree let us know NOW. Visit us at nedlands.wa.gov.au/request-free-street-tree, or call **9273 3500** and choose the tree that's right for you.

Mayor's Message

The start of a new year often sees us take stock of where we've been and where we are going. During the break, I had many interesting conversations with ratepayers about our City's past and what the future may hold. This helps me understand what it means when we talk about the 'character of Nedlands'. It's something I spoke about recently with the Minister of Transport; Planning and it's a key priority for Council's Strategy Day coming up in March - along with the topic of infrastructure.

I also met recently with the Federal Minister for Infrastructure; Cities on his visit to Nedlands and had the opportunity to thank the federal government for contributing funds to our long-awaited Monash Avenue and Smyth Road roundabout. Traffic congestion in this part of our City is an ongoing challenge and one we hope to address by working with the State on the Strategic Activity Centre Plan for QEII/UWA Precinct.

Cilla de Lacy, Mayor
