2021 Annual General Meeting of Electors – 6pm Thursday, 24 March

Greetings dear friends,

In a world of turmoil, we are indeed extremely fortunate to be living in the City of Nedlands.

Our summer concerts for 2022 have been a tremendous success. They have been running for over two decades and reflect our wonderful family friendly life here in the City. I attended the final concert at Dot Bennett Park. City of Nedlands staff were brilliant and friendly, lots of people walked to the venue, which was so good to see, and it was lovely to chat with fellow locals. All were COVID compliant, some people hit the dance floor and a fabulous evening was enjoyed by all.

In line with Minister for Local Government, Hon John Carey MLA, all councillors have been presented with a submission so they can show their support or objection to the planned Local Government Reviews.

The information has all been collated and returned to the minister's office. This is our new process of engagement with the State Government. The more we engage the better!

This week I visited the Mt Claremont Farmers Markets to meet members of the community. The market is a not-for-profit organisation with any extra money supporting the students through the purchase of IT equipment.

Please let us all support our local market and I'll see you there!

In other news, we say farewell to Martineaus. Best of luck to Christian and Christine Martineau. Thank you for your service to the community. We wish you well.

Kindest wishes,  
Mayor Argyle

## Have Your Say on new cycleway plans
