Mayor's Message

Much has been happening since I was sworn in as your new Mayor in October. Your Council is overseeing an unprecedented program of works to implement the new planning scheme in such a way that it protects what we all love about living in Nedlands. We are leading State government in developing a comprehensive traffic model for Stirling Highway to minimise traffic congestion from new development and we are implementing planning reforms in preparing Precinct Policies for areas rezoned under the new scheme. We've also recently approved an extension to our beloved Windsor Cinema.

As we head into the Festive season, I'd like to extend my warmest wishes to all Nedlands residents for a very Merry Christmas and a safe, happy, prosperous New Year. Our new year will kick off with a Citizenship Ceremony on Australia Day and move into our much-loved Summer Concerts in the Park series in February.

Cilla de Lacy, Mayor

Summer Concerts in the Park

Every Sunday in February from 5.30pm-7pm, Summer Concerts will take over a park near you to deliver a balmy evening of jazz, blues, pop and rock classics. Bring a picnic and enjoy live music from four West Australian bands. To find out more, visit nedlands.wa.gov.au/summerconcerts or call **9273 3500**.

Bush fire and total fire bans

Rangers would like to remind all residential property owners or occupants that they must maintain their properties ensuring that all flammable materials are removed or cleared and grass is cut short during the summer months. Breaches may include lighting a fire or burning off during the total fire bans. If you witness any breaches, please contact Ranger Services on **9273 3500**.
