## Parking Permit Information Guide

Permits are issued subject to the following conditions:

1. The permit is valid only until the date of expiry 31 December each year. The permit holder is required to reapply for the next calendar period (renewal forms will not be sent automatically). The same number of permits cannot be guaranteed upon reapplication.
2. Residential and Visitor Permits must be affixed to the bottom left-hand corner of the vehicle windscreen or dashboard and must remain clearly visible. Photocopied permits are not permitted and may incur infringements. An infringement notice may be issued if any permit is not clearly displayed in the windscreen or dashboard.
3. Permits and the City cannot guarantee the availability of a parking space along the allocated thoroughfare and only entitles the holder to park within a reasonable distance on the street from the residence.
4. The Permit may only be used for: -
  - (i) parking on the road area designated, except on occasions nominated by the City,
  - (ii) parking on the verge of the property designated unless parking is prohibited by a sign.
  - (iii) parking on the road or verge for periods up to 24 hours only.
5. Parking is **not permitted** in the following areas: 30 minutes or less time limit, Loading Zones, No Stopping, Footpaths or Crossovers, parking against the flow of traffic, No Parking, and Bus or Taxi Zones.
6. Should you leave your current residence, the permits must be removed immediately from the vehicle and a new Permit applied for if required. Permits are not transferable.
7. In the event an infringement notice being issued to a vehicle displaying a permit, the driver/vehicle owner will be required to submit an appeal in writing to the City of Nedlands.
8. Should a permit become faded or damaged, a replacement can be obtained free of charge on return of the faded or damaged permit. Lost or stolen permits incur a fee of \$15.00 per permit. This fee will be waived when a relevant Police report is produced.
9. Misuse of permits or failure to comply with the conditions may result in an infringement notice being issued and/or the permit being revoked.
