

Local Government (Uniform Local Provisions) Regulations 1996 – r. 12(1) & 14(2)

City of Nedlands Thoroughfares Local Law – cl. 18(1) & 20(1)

About this form:

- Approval from the City of Nedlands is required for the construction of all permanent and temporary crossovers and associated works on local government land. Authorisation can be obtained by completing and submitting this application form, along with the fees payable, to obtain a Vehicle Crossover Permit.
- This form should only be used for obtaining authorisation to construct a crossover on local government land and any directly associated works. For all other private works on a nature strip please use either the Permit Application - Nature Strip Improvement form or the Permit Application - Private Works On, Over or Under a Public Thoroughfare form.
- Where a permit is required to be obtained, commencement of private construction activities without a valid permit constitutes an offence pursuant to *the Local Government (Uniform Local Provisions) Regulations 1996* and/or the *City of Nedlands Thoroughfares Local Law* and may result in enforcement action being commenced by the City.
- Failure to observe any condition imposed by way of a permit, in giving approval to undertake private works on the nature strip, constitutes an offence pursuant to the *Local Government (Uniform Local Provisions) Regulations 1996* or the *City of Nedlands Thoroughfares Local Law* and may result in enforcement action being commenced by the City.
