 M01/6294 Road / street listing updated 19/04/2012

Note for researchers – many houses have been rebuilt facing another way and changed the number, or even the street. For example, houses on a corner, or those with dunny lanes at the back that have been made into roads. Records of this are kept in files, such as ARCH/4349, which covers 1994 to 1997.
