PROFILE

I migrated from Malaysia 34 years ago, and have been a ratepayer and resident of Melvista Ward ever since.

I have more than 16 years Financial Management experience in local government, the last 7 at the City of Nedlands. After my retirement, I wanted to give back to the Nedlands community that had nurtured my family; I stood as a candidate in the 2019 elections, and was elected as Councillor from Melvista Ward.

I am confident that, **with the added benefit of having served as a Councillor for 4 years**, I can positively contribute to the City navigating through the challenging times ahead (tight finances, ageing assets, environmental sustainability, ageing population, impacts on amenity from the construction of additional multiple dwellings, town centre development, etc).

My desire to continue to serve is based on my professional qualifications and experience, as well as the leadership positions I have held in community and service organisations, including Rotary (*Service above Self*).
