Enrolment status	ARGYLE, Fiona is eligible to stand for election as a resident of the City of Nedlands.

My name is Fiona ARGYLE.

I stand for conservative management, superior representation and the creation of a world leading green city. I call on you, to give me a full mayoral term, because the job is incomplete. I will ensure a professional council with a clear vision, acting in the best interests of the ratepayers. Since becoming mayor, Nedlands has made giant strides in council conduct, environmental protection, community representation, smart planning, fiscal management, sports and culture. Yet, there is more to be done. Moving forward, I will work for: 1. Powerful fiscal management (Under my direction, we have the lowest rate rises in the state) 2. Sustainability (We are now at the forefront of urban environmental protections and FOGO) 3. Smart planning 4. Local business 5. Arts, sports and every single member of our city.

A vote for ARGYLE, is for community representation, without fear or favour. With ARGYLE, the people come first. Thank you.
