MARCH 2024

Mayor's Message

Dear Residents,

The recent announcement from the Minister for Planning surrounding Scheme Amendment 12 was disheartening. This was for the very low-lying protections of trees on private property in the City of Nedlands.

The recent warmer weather weighs heavily on all of us at the City of Nedlands. We must remain vigilant and strive for a more sustainable future for generations to come. The City of Nedlands has 25,000 trees in streets, parks and reserves and our public realm trees store approximately 4,000 tons of carbon. We must work together to protect and increase this resource.

Hence, we are now seeking solutions, which will prioritise the well-being of our community. This is the obligation of all elected officials.

With International Women's Day approaching, I remind you all of the importance of supporting women. I am committed to advocating for gender equality and creating opportunities for all.

On Friday 8 March let us all accelerate progress, have a cup of tea with a female friend or colleague. Focus on the fifth sustainable development goal of achieving gender equality and empowering all women and girls by 2030.

Yours faithfully,

Fiona E.M Argyle

Mayor, City of Nedlands

In Focus

Getting closer to nature at Point Resolution Childcare

Point Resolution Childcare Centre's current focus is on using natural resources such as garden and recycled materials in arts and crafts and playtime, as well as discovering and interacting with nature. By integrating sustainable practices into their daily routine and a commitment to reducing waste and energy consumption, the centre is dedicated to instilling a love for the environment in the next generation.

There are current vacancies available! Curious to know more about what PRCC has to offer? Take a guided tour of the centre and discover a world of care, education, and growth for your child. To book a visit, call (08) 9386 5835 or email prcc@nedlands.wa.gov.au.

Public Art Committee Vacancies

Do you have experience in or knowledge of Public Art Practice?

Expressions of interest are called from members of the community who are interested in being on Council's Public Art Committee for a term ending October 2025. The Public Art Committee provides advice to Council on Public Art, the City's Art Collection and Public Art Policy.
