

### Allen Park Precinct Signage

In response to the new *Dog Local Law 2023*, the City will be installing additional signage around the Allen Park Precinct in the coming months.

These signs will identify designated dog exercise areas where **dogs can be off lead** and areas where **dogs must be on lead**, particularly in the conservation areas.

There has been an increase in dogs being off lead in the Allen Park Bushland, which has raised concerns about the impact on local wildlife and the safety of dogs.

The new signage aims to promote responsible pet ownership and ensure the safety and preservation of our bushland. More information to come on the City's YourVoice page:

Sunday 28 July 2024, 5pm  
Hosted by Fremantle Symphony Orchestra

For more information about all upcoming events visit [nedlands.wa.gov.au/events](http://nedlands.wa.gov.au/events)

### Keep Warm and Stay Safe

As the cooler days set in, it's the perfect time to cozy up by your wood heater. But did you know that using your woodfire heater properly not only keeps you warm but also minimises smoke emissions into the air?

Make the most of your woodfire heater while minimising its impact:

**Start right:** Begin your fire with dry kindling and the air intake fully open for a clean start.

**Use dry, seasoned wood only:** Wet or green wood creates more smoke and pollutants.

**Ensure proper ventilation:** Make sure you operate your wood heater with the air intake open to allow for proper ventilation.

**Burn Bright, Burn Right:** Keep your fire burning brightly, with swirling flames and minimal smoke.

For more tips on how to use your woodfire heater efficiently and responsibly, check out the Department of Water and Environmental Regulation's BurnWise program, and visit City's webpage.

### Rose Pruning Demonstration

The City of Nedlands will be commencing annual pruning of the roses at the Peace Memorial Rose Garden, Stirling Highway, Nedlands, during the week commencing Monday 22 July 2024.

The Rose Society of WA will also be providing a demonstration this year for members of the local community. The Society will be offering advice on pruning, and various aspects of rose care, for members of the Community that attend.

The demonstration will be taking place at the Peace Memorial Rose Gardens between 10am and 12 Noon on **Wednesday 31 July, 2024**.

For more information contact the City on **9273 3500**.
